BLAISE KOLODYCHUK PRESENTS:

NANDI BEAR TENANTS - MEGA MADNESS!

PART 3 - EYE DON'T SEE A WAY OUT

Deep underground our small band of heroes walks through the caverns on their way to find the Tower of Zebedah. But what they have found is a giant collection of cats.

I guess we can mark the mystery of the missing cats as solved.

Thats an understatement. Captain Trash, do you know why they all came underground?

They have told me they were warned that there would be a great menace from outer space coming to Earth that would destroy all cats on the planet, so they came down here to hide.

Cats are pretty good at avoiding destruction.

They also said that the Tower of Zebedah is beyond that cave up there. But they warned us not to go there... great dangers lie in that direction.

Unfortunately we have little choice Captain Trash. As far as I can tell, it's our only hope in saving Oliver from being a permanent statue.

Agreed, lets get out of here.

Thank you my cat friends! I will send word when it is safe to come back to the surface!

They gang walks through a cave opening into an unknown darkness...

It sure is dark in this cavern.

Yeah, Dorriss can you give us a little light so we can actually see where we are going?

Using her Warlock powers Dorriss creates some light.

Ewww... what are those things?

The ceiling is covered with terrifying sleeping Eyeball monsters!

I'm not sure..

Who are definitely waking up!

Dorris s! I think your light is waking them up! Turn it off woman! Turn it off!

You know you were the one who told me to light this place up in the first place.

Guys, lets get out of here!

The Eyeballs release themselves from the ceiling and starting covering our heroes!

Eyyyyye! Really don't like this!

Meanwhile at the Nandi Bear Mercantile the lunch rush is finally over.

I'm glad I stopped by for light bulbs, you sure needed some help! Where is everybody today?

ROSE - THE NANDI BEAR MERCANTILE'S FAVOURITE CUSTOMER

Oh stop it you big giant head! They are all out on important missions right now. All the cats of the planet have gone missing!

Rose, with you being a civilian, I'm not sure I should tell you!

That would explain all the lost cat posters I saw on my way here.

Actu ally we should check in with them, Raca can you contact them on your wrist radio?

No problem.

I can't contact them! They may be out of range of our signal, or something strange might have happened.

BBZZZ

Do we know their last location?

Looks like it was some kind of book store. This is very strange.

I hope nothing has happened to them! We should go check out that book store. Rick, do you mind watching the shop while we solve this mystery?

I don't even have any hands!

Go find your friends guys, I don't mind staying here to give Rick a 'hand'.

Okay, but don't expect me to pay you.

Can I at least have a free burrito?

We will have to wait and see if you do a good enough job! Now go clean the gum off from under the tables!

Thanks Rose!

You're the best!

PART 4 - MEGA MANIA

In the lonely depths of outer space racing towards our solar system is one small space ship. And within this ship is perhaps one of the most diabolical vampire maniacs to ever be un-dead. He's bad. He's a badger. They call him: Bad Badger.

And soon he will be refueling his space ship on Mars before he continues on to Earth where he hoped to harvest all the cats on the planet as food.

Soon I will be on Mars! My belly hungers for fresh blood, but I will have to wait. In the mean time I will stock up on beef jerky and seltzer at the gas station on Mars. It will hold me until the inevitable feast of blood I will have on Earth!! Hahahahahahaha!

Marlian Stop and Go

99¢ Zemo!

OUT

Little does Bad Badger know, Stensor and Galaxy Peanut Butter Bear are already at the Martian Stop and Go gas station setting a trap for the undead menace!

I'm sure glad Forclune could loan us this device.

I hope it works out. Since Pattee and Forclune had to go back to Forclune's space station it's only us against this vampire creep.

Are you sure you read the instructions properly?

I think so. This control device should do the trick. We just need to point it at Bad Badger when he arrives and poof!

You make it sound so easy. I guess we just have to sit here and wait!

BACK AT THE BOOK STORE

Lets go in and see what we find.

Oh hello, I would love to help you find something, but I'm a little tied up at the moment.

Very funny.

The only thing we want to find is our friends. There was a couple cats, a Wolvcha, a human male and a half human female.

They were here, they have gone to the underworld to find a cure for that fella over there.

Oliver! Hey lady! Are you responsible for this?

No way! I would never turn a cat to stone!

Then why are you all tied up?

Now thats just a funny story. I'll tell you all about it if you help untie me.. Actually I really need to use the toilet.

Promise no funny business.

There's nothing funny about me.

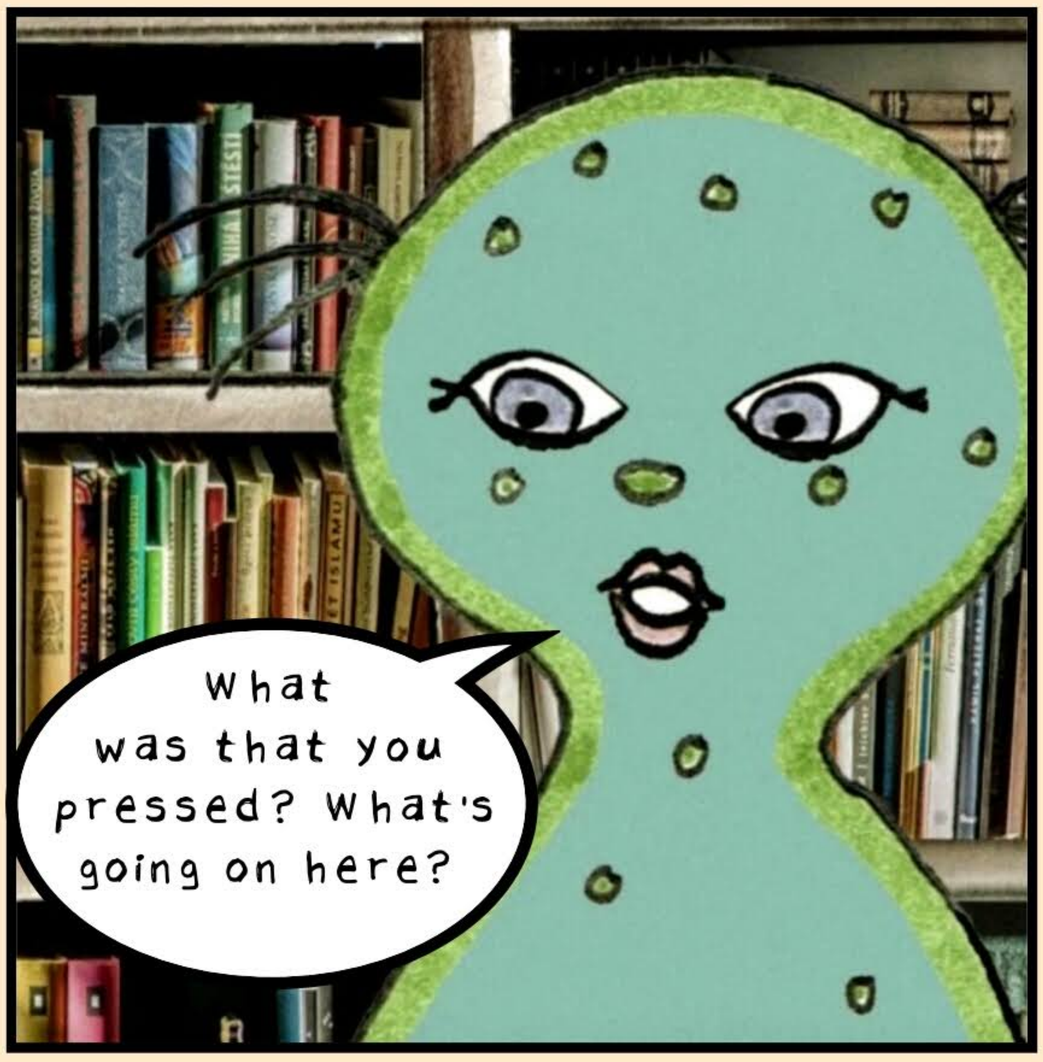
Thank you so much!

Now can you show us where our friends went?

Sure thing sweetie!

DO NOT PRESS

Medusa presses a button on the counter. And the whole place begins to shake!



What was that you pressed? What's going on here?

ЦЕРКВА
Just a quick getaway! Thats all!

GORGON books

POLL
The whole shop rips itself from the ground and blasts off into space like a rocket!

You know we are with you in here. You didn't actually get away or anything.. We're just in space now.

Drat! Foiled again!

Raca uses her goo creation powersto trap Medusa once again.

AREETCH!!

So we are flying off to who knows where... What do we do now?

There's only one thing we can do Klor.

What's that?

Enjoy the ride.
